

Oran

Design by Mark Gabbertas

Oran is a modular sofa system characterized by a soft appearance and feel with a precise and defined upholstery detail. Oran has the ease and relaxed appeal of a domestic design while being suitable for use in both workplace and

hospitality spaces. The system allows the creation of an infinite number of configurations from a limited number of individual seat units. Oran low level occasional tables complement and complete the range.

Design Mark Gabbertas

Mark Gabbertas is a furniture designer with a different perspective. After ten years in advertising, he trained and worked as a cabinet maker, before establishing the Gabbertas Studio in 2001. The intent is

to create character through simplicity via the rigorous pursuit of designs that have both an elegance and a lasting aesthetic... it is all too easy to shock, but much more difficult to please.
